

ONE PIECE CARD GAME

Unbanned / Banned Cards Announcement (3rd Feb. 2023)

In the ONE PIECE CARD GAME, your deck can include up to 4 copies of a card with the same card numbers.

However, some cards are restricted, limiting the number of copies you can play, or banned for official tournaments.

And we, BANDAI, have decided to unban / ban the following cards from official tournaments and events in Asian regions from the date which is written on the top of each page as we are going to start officially distributing these promotional cards in all Asian regions.

We are also going to start distributing the remaining banned promotion cards in all Asian regions onwards.

Once the cards are being distributed, we will lift the bans one at a time.

We really appreciate if you could understand the temporary region lock and eagerly anticipate the distribution of the cards in your countries/areas.
